Contact:	Dr Claire Maree cmaree@unimelb.edu.au (mailto:cmaree@unimelb.edu.au)
Subject Overview:	This subject focuses on key social and political issues that are part of the public discourse in the media in Japan and Australia. These include Japan's aging society, education and language policies, gender equality, disaster relief and recovery, youth issues and fads/fashions. It compares the coverage of these issues in print and electronic media, including websites and television programming. Through project work and classroom discussions, students will analyse and engage with contemporary media. Students will also develop an understanding of media idioms and usage, culturally specific expressions and Japanese socio-cultural norms.
Objectives:	On successful completion of this subejct students will: <ul style="list-style-type: none"> # deepen understanding of idioms and usages in Japanese media, including Japanese socio-cultural norms and culturally specific expressions. # understand current issues in Japan and be able to analyse and contribute to public discourse
Assessment:	A written work of 1000 words (due early semester) 25%, a written work of 1000 words (due mid semester) 25%, and a project work with reflexive analysis component of 2000 words (due end of semester) 50%. Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Materials supplied by the Institute.
