Subject Overview:	This subject is available only to students who are appointed as an Editor of <i>MULR</i> during the enrolled semester. The subject permits students to provide evidence of what the student has learnt about the nature of legal research from undertaking their tasks as an Editor of <i>MULR</i> . This evidence takes the form of one of the writing tasks specified below, requiring engagement with legal scholarship.
Objectives:	On completion of this subject, students should: # Be able to write in a style suitable for a generalist university law journal publication;

	<ul style="list-style-type: none"> # State an informed personal perspective or position relative to a body of international legal research published in the journal; # Identify, recognise and contrast attributes of different varieties of legal research — such as critical legal studies, doctrinal, multi-disciplinary or empirical; # Be able to describe and discuss the broad state of the research field relevant to the journal; # Perceive the diversity of what classifies as legal research, including its underlying philosophies and approaches; # Decide where their personal views and approaches are placed relative to that body of research; # Be aware of trends in legal research, including what drivers may influence those trends; and # Appreciate differences in legal research in terms of approach and quality.
Assessment:	Written work of 5,000 words on a topic related to the state of the research field, to be developed in consultation with the Subject Coordinator. Written work should have a sufficient nexus to MULR, either in the writing styles published by MULR (eg an article, case note, commentary or review essay), or relating to the student's current MULR work. A code 3 word limit will be regarded as recommended and no student will be disadvantaged by exceeding the limit. (100%)
Prescribed Texts:	None.
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>On completion of the subject, students should have developed the following generic skills (and graduate attributes):</p> <ul style="list-style-type: none"> # Attitudes towards knowledge that include valuing truth, openness to new ideas and ethics associated with knowledge creation and usage; # The capacity for close reading and analysis of a range of sources; # The capacity for critical and independent thought and reflection; # The ability to collect and evaluate information; # The capacity to communicate, both orally and in writing; # The capacity to plan and manage time; and # Intercultural sensitivity and understanding. <p>In addition, on completion of the subject, students should have developed the following skills specific to the discipline of law:</p> <ul style="list-style-type: none"> # Analysis of the nature and quality of legal research, including an ability to: <ul style="list-style-type: none"> - Read legal research in a critical and informed manner; - Critically engage with new ideas; - Understand and apply ethics in academia; - Situate a particular piece of legal research within a broader body of international legal scholarship and within a particular style or approach; and - Develop and express a personal position on legal research. # Legal writing skills, including an ability to: <ul style="list-style-type: none"> - Use and synthesise legal research; - Be able to convey a coherent appraisal of legal research; and - Produce complex pieces which offer comprehensible analysis of international legal research.
Notes:	The 5,000-word written work in this subject is regarded as a substantial piece of legal writing for honours purposes.
