100 Point Master of Journalism					
<p>Entry Requirements:</p>	<p>The Selection Committee will evaluate the applicant's ability to pursue successfully the course using the following criteria: For the 200 point program: A three-year undergraduate degree with at least H2B (70%) average, or equivalent. For the 150 point program: a three-year undergraduate degree in a cognate discipline with at least H2B (70%) average, or equivalent; or A three-year undergraduate degree and a Graduate Certificate in a cognate discipline with an average of at least H2B (70%) For the 100 point program: an honours degree in a cognate discipline with an average of at least H2B (70%), or equivalent; or a three-year undergraduate degree in a cognate discipline with at least H2B (70%) average, or equivalent, and at least 2 years of documented, relevant work experience. The Selection Committee may conduct interviews or tests and may call for referee reports and employer references to elucidate any of the matters referred to above.</p>				
<p>Core Participation Requirements:</p>	<p>For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this course are articulated in the Course Description, Course Objectives and Generic Skills of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http://www.services.unimelb.edu.au/disability/</p>				
<p>Further Study:</p>	<p>Students who successfully complete the minor thesis with an overall grade point average of 75% or greater in their degree may be eligible to enrol in a higher research degree.</p>				
<p>Graduate Attributes:</p>	<p>Academically excellent: The program will be taught by leading industry practitioners; It will introduce students to key concepts in journalism in the context of the most recent scholarship in the field; Students will gain a deep understanding of the changing contexts in which the profession operates, such as globalisation, changing business models, and the impact of new technologies on business models and professional practice; Knowledgeable across disciplines: Journalism is by nature an interdisciplinary profession requiring deep knowledge across a variety of specialised fields and the course is designed to reflect this; Through the diverse curriculum of the course students will have the opportunity to gain an understanding of major ideas and recent developments in fields such as media law, management theory, globalisation, development studies, international relations, Islamic culture, health policy, climate change, and the environment; Leaders in Communities: As journalism is by nature a public-facing profession concerned with questions of civil society and leadership, students will gain a theoretical and</p>				

	<p>practical grounding in issues such as civics, governance, citizenship and leadership; Attuned to cultural diversity: The course places a major emphasis on issues of cultural diversity in its content, with its emphasis on issues of global development and cultural difference, and is at the same time expected to attract a diverse local and international cohort; Active global citizens: Journalism is by nature a profession oriented around notions of active citizenship, both on the parts of its practitioners and consumers, and is demonstrated by the blurring of lines between the two; Students will, above all, acquire the skills to report on and engage in public debate, and to foster active citizenry in others.</p>
