(Please note that students cannot change from Stream A to Stream B, or from Stream B to Stream A).</p> <p>(b) Students who discontinue from the Master of TESOL (Stream A) or the Master of TESOL (Stream B), but have successfully completed the requirements of the Postgraduate Certificate in TESOL (Stream A) or the Postgraduate Certificate in TESOL (Stream B), respectively, will be eligible to receive the Certificate as an exit award.</p>		
<b>Core Participation Requirements:</b>	<p>The Melbourne Graduate School of Education welcomes applications from students with disabilities. It is University and Graduate School policy to take reasonable steps to enable the participation of students with disabilities, and reasonable adjustments will be made to enhance a student's participation in the Graduate School's programs. The core participation requirements for study in the Melbourne Graduate School of Education are: In all courses The ability to comprehend complex information related to education and the disciplines in which the student is teaching. The ability to communicate clearly and independently in assessment tasks a knowledge of the content, principles and practices relating to education and other relevant disciplines. Behavioural and social attributes that enable a student to participate in a complex learning environment. Students are required to take responsibility for their own participation and learning. They also contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. In courses requiring students to undertake practicum placements The ability to undertake professional practice placements independently, including:</p> <ul style="list-style-type: none"> <li>a. the ability based on personal maturity to establish a professional relationship with students and interact with them appropriately;</li> <li>b. the ability to communicate to students the subject matter being taught with clarity and in a way that is age-sensitive;</li> <li>c. the ability to model literacy and numeracy skills independently for students and in all their interactions meet community expectations of the literacy and numeracy skills teachers should have;</li> <li>d. the ability to demonstrate skilfully and safely activities required in particular discipline areas being taught (e.g. physical education activities, science laboratory techniques);</li> <li>e. the ability to create, monitor and maintain a safe physical environment, a stable and supportive psychological environment, and a productive learning environment in their classroom;</li> <li>f. the ability to establish effective relationships with all members of the school community, including colleagues, students, and caregivers;</li> <li>g. the ability based on mental and physical health to exercise sound judgment and respond promptly to the demands of classroom situations, and the personal resilience to cope and maintain their wellbeing under stress.</li> </ul> <p>Students who feel a disability will prevent them from meeting the above academic requirements are encouraged to contact the Disability Liaison Unit.</p>		

<b>Further Study:</b>	Graduates from this program are eligible to apply for entry to the Doctor of Education program or a PhD after completion of a 50-point Postgraduate Certificate in Educational Research, provided they meet the entry requirements and subject to achievement of an H2A GPA. Please note also that graduates of an undergraduate Honours degree may already be eligible for doctoral studies, subject to the same entry and achievement requirements.
<b>Graduate Attributes:</b>	The University's general graduate attributes are located on the Office of the Provost's website: <a href="http://www.unimelb.edu.au/about/attributes.html">http://www.unimelb.edu.au/about/attributes.html</a>
