<b>Subject Overview:</b>	<p>Students enrolled in this subject will be assisted to find a placement in a professional working environment. They will work between 100 to 200 hours under the guidance of a senior staff member, with additional support from the subject coordinator. As well as taking part in the host organisation's day-to-day work, students will undertake a research project of concrete and practical benefit to the host organisation or the broader industry. The research topic will be negotiated between the student, the organisation's management and the subject coordinator. Students will gain direct exposure to professional practice in their chosen field. The subject is to be completed over two consecutive semesters and students must enrol in the subject in each semester to ensure they are meeting the full 25 point requirement for the year-long subject.</p>
