Subject Overview:	This subject examines music and its relationship to changing social and cultural developments and historical context. The material discussed will be taken from a wide variety of music genres and styles. The subject will examine a variety of approaches to tonality, with special reference to music of the 20th and 21st centuries. Cultural and social contexts and their impact on musical development will also be a focus.									
Objectives:	<p>Upon completion of this subject students should be able to:</p> <ul style="list-style-type: none"> • Understand through examination of selected current repertoire, the essential elements of a variety of musical styles; • Apply their knowledge of the internal workings of selected, relevant repertoire to their performances • Connect the understanding of the internal workings of music to the aural comprehension of it. 									
Assessment:	Continuous: Preparation and commitment as demonstrated by performance tasks and/or a regularly updated journal of activities embracing all areas studied (50%) Formal: One written examination of two hours duration on subject material presented in lectures (50%).
