Subject	Study Period Commencement:	Credit Points:																
EDUC90419 Education Research Methodology	Not offered 2013	12.50																
EDUC90420 Research Project	Not offered 2013	37.50																
EDUC90558 Research Project	Not offered 2013	37.50																
EDUC90738 Research Project	Not offered 2013	18.75																
Entry Requirements:	A Masters degree in Education (e.g. Master of Teaching, Master of Education) with an H2A average, or equivalent.																	
Core Participation Requirements:	<p>The Melbourne Graduate School of Education welcomes applications from students with disabilities. It is University and Graduate School policy to take reasonable steps to enable the participation of students with disabilities, and reasonable adjustments will be made to enhance a student's participation in the Graduate School's programs. The core participation requirements for study in the Melbourne Graduate School of Education are:</p> <p>In all courses</p> <ol style="list-style-type: none"> 1. The ability to comprehend complex information related to education and the disciplines in which the student is teaching. 2. The ability to communicate clearly and independently in assessment tasks a knowledge of the content, principles and practices relating to education and other relevant disciplines. 3. Behavioural and social attributes that enable a student to participate in a complex learning environment. Students are required to take responsibility for their own participation 																	

	and learning. They also contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. Students who feel a disability will prevent them from meeting the above academic requirements are encouraged to contact Disability Liaison.
Graduate Attributes:	The course will develop in students a commitment to academic excellence, allowing them to develop a deeper understanding of their discipline, the process of research, and their capacities as critical, creative, and ethical thinkers. The University's general graduate attributes are located on the Office of the Provost's website: http://www.unimelb.edu.au/about/attributes.html
