Subject Overview:	<p>This subject will examine a range of some of the most morally controversial issues that confront contemporary society. Are there limits we ought to respect with regard to the creation and destruction of human life? How should a society punish its criminals? What are our moral obligations to animals, and future generations? This subject will attempt to better understand and make sense of these controversies and many others.</p> <p>For further subject information please visit: http://shaps.unimelb.edu.au/students/undergraduate/handbook-study-guides.html (http://shaps.unimelb.edu.au/students/undergraduate/handbook-study-guides.html)</p>												
Objectives:	<p>Students who successfully complete this subject will</p> <ul style="list-style-type: none"> # be familiar with the philosophical debate on selected topics in applied ethics. # understand the way in which philosophical reasoning can be applied to controversies in applied ethics. # have demonstrated the ability to think and write clearly on selected topics in applied ethics. 												
Assessment:	A written assignment of 2000 words 50% (due mid-semester), a 2-hour written examination 50% (during the end of semester examination period). Hurdle Requirements: This subject has a minimum hurdle requirement of 75% tutorial attendance. Regular participation in tutorials is required. Assessment submitted late without an approved extension will be penalised at 10%												

	per day. After 5 working days late assessment will not be marked. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Ethics in Practice, 3rd edition, edited by Hugh LaFollette (Blackwell publishing)
