Subject Overview:	Today, war is still a salient feature of international relations, while terrorism takes on ever more international character and scope. The subject will explore the philosophical - conceptual and moral - issues to do with violence, war, and terrorism. The central part of the subject will examine the main approaches to war: realism, consequentialism, just war theory, and pacifism. The subject will also discuss both the concept and the morality of terrorism, including state terrorism.
Objectives:	Students who successfully complete this subject will <ul style="list-style-type: none"> # have developed an understanding of the fundamentals of philosophical argumentation and theory. # be able to demonstrate a substantial knowledge of the area of Violence, War and Terrorism. # understand the theoretical sources of the key concepts in this area of study. # understand the application of these concepts to their professional field or study area.
Assessment:	A 5000-word research essay 100% (due at the end of semester). Hurdle Requirement: Students are required to attend a minimum of 75% of classes in order to pass this subject. Regular participation in class is required. Assessment submitted late without an approved extension will be penalised at 2% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	To be advised
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	Students who successfully complete this subject will: <ul style="list-style-type: none"> # have improved their ability to integrate abstract moral and conceptual considerations with relevant empirical data.

	# have developed research and analysis skills to enable further study in the area of international justice at a higher academic level.
