<b>Subject Overview:</b>	Placement 3 is the subject where creative and technical knowledge and experience gained over the previous two years is tested and consolidated in a practical environment. Students are usually assigned to at least three placements on productions mounted both within and beyond the College. At this stage, a responsibility for peer teaching is expected of the student. Following completion of this subject, students will have developed excellent collaborative, communicative, evaluative and creative skills to a level accepted within industry. It is a requirement of this subject that students attend a weekly production placement seminar with their supervisor and with other students working in the same area. Successful completion of peer and self-assessment reports is a hurdle requirement.						
<b>Objectives:</b>	On completion of this subject, students should be able to demonstrate a high level of leadership, organisational and creative skills that are of professional standard.						
<b>Assessment:</b>	Production Placement supervisor reports (80%); presentation of peer and self-assessment reports (10%); participation in Production Placement seminar (10%).
