Overview:	<p>This course is no longer taking applications, the course structure below applies to re-enrolling students who commenced their studies prior to 2008. Information for course B-Arts can be found at the following: https://handbook.unimelb.edu.au/../../view/current/B-ARTS</p> <p>German has more than 100 million native speakers and is the third most popular foreign language world-wide. A knowledge of German opens up the rich culture of German-speaking Europe as well as its history, philosophy, literature, music and scientific traditions. The German Studies Program has a proud history of more than half a century at the University of Melbourne and provides students with the opportunity to complete part of their studies overseas through scholarships and exchange programs.</p> <p>German language subjects are organised in a progressive sequence of units from German 1 through to German 10. Students may enter at any point, subject to placement testing and/or prerequisites, and normally progress through the sequence in consecutive order. Accelerated progression is possible with the permission of the course convenor. Mid-year entry is also possible into subjects with even numbers.</p>
