Overview:	<p>Knowledge about Asia is a crucial national asset at a time of rapid globalisation and social change. The Asian Studies program at the University of Melbourne is one of the largest in Australia and comprises a comprehensive range of subjects in the intellectual, cultural, political and religious traditions of Asia, with a focus on China, Indonesia, Japan and South-east Asia. Asian Studies subjects are taught in English and do not require language prerequisites. Study abroad programs are available and Asialink offers a stimulating program of events and activities with an Asian focus.</p>
