Overview:	Italian language subjects are organised in a progressive sequence (of units) from Italian 1 through to Italian 6 and beyond. Entry and exit points are determined by the student's background in the language, placement testing if required, prerequisites, or at the discretion of the Italian Program. Students normally progress through the subjects in consecutive order. Mid-year entry is also possible into subjects with even numbers, subject to appropriate prior experience and approval from the head of the Italian program.
