<b>Overview:</b>	<p>The DL provides students with the opportunity to gain a Diploma in French language while completing an undergraduate degree at the University of Melbourne. The Diploma consists of a three-year sequence of first-, second- and third-year language study and may add up to one year to the duration of the student's degree course.</p> <p><b>French</b></p> <p>The core subjects in French are organised in a progressive sequence from French 1 through to French 7. Entry and exit points are determined by the French Program based on the student's background in the language, placement testing or prerequisites. Students normally progress through the subjects in consecutive order. Mid-year entry is also possible into subjects with even numbers, subject to appropriate prior experience and approval from the head of the French program. Accelerated progression is possible on advice from the French Program.</p>
<b>Learning Outcomes:</b>	<p>On completion of the Diploma, students should:</p> <ul style="list-style-type: none"> <li># have acquired a mastery of both oral/aural and writing/reading skills comparable to that of a student majoring in a language discipline;</li> <li># have gained a basic understanding of selected aspects of the culture (or cultures) and of the society (or societies) associated with the language.</li> </ul>
<b>Structure &amp; Available Subjects:</b>	<p>The Diploma consists of a three-year sequence of first-, second- and third-year language study and may add up to one year to the duration of the student's degree course. <i>See the Diploma course structure for details.</i></p> <p><b>French</b></p> <p>A 100-point sequence is available in French Studies. Students complete a sequence of core subjects determined by their background in French and by their level of achievement. Students will have their appropriate entry point determined by the French Program, based on evidence of prior language learning and/or results on a placement test as required. The remaining credit points required for the diploma are attained by the completion of elective subjects in French Studies.</p> <p>The sequence is as follows for the three most common entry points for the diploma:</p> <ul style="list-style-type: none"> <li># <b>Entry at French 1</b> is for students who have little or no background in the French language. Students commencing their study of French at this level range from absolute beginners to students who have completed up to four years of French study at secondary level (not including VCE or equivalent).</li> <li># <b>Entry at French 3</b> is for students who have completed more than four years of French study at secondary level, including those who have achieved a VCE French study score of up to 35 (up to 4 in IB French), or equivalent.</li> <li># <b>Entry at French 5</b> is for students who have achieved a VCE French study score of 36 or more (5 or more in IB French), or equivalent.</li> </ul> <p>Students will have their appropriate entry point determined by the French Program, based on evidence of prior learning and/or results of a placement test as required.
