

# Corporate Management

<b>Year and Campus:</b>	2014																												
<b>Coordinator:</b>	Matt Stevens																												
<b>Contact:</b>	Environments and Design Student Centre Ground Floor, Baldwin Spencer (building 113) Enquiries Phone: 13 MELB (13 6352) Website: <a href="http://www.msd.unimelb.edu.au">http://www.msd.unimelb.edu.au</a> ( <a href="http://www.msd.unimelb.edu.au">http://www.msd.unimelb.edu.au</a> )																												
<b>Overview:</b>	The specialisation in corporate management is conceived to give students the ability to analyse and understand the relationship between companies, industry and markets in construction, so as to allow them to assume strategic roles in the corporate structures active in it.																												
<b>Learning Outcomes:</b>	<ul style="list-style-type: none"> <li># Understand the operations of firms within the construction production process;</li> <li># Analyse management issues relating to contemporary businesses within the construction industry;</li> <li># Evaluate the influence of economics, government policy and regulations, labour, technology and innovation on the construction industry.</li> </ul>																												
<b>Structure &amp; Available Subjects:</b>	All students must take: <ul style="list-style-type: none"> <li># 112.5 points of core specialisation subjects, including the following capstone subjects: ABPL90207 Corporate Construction Management and ABPL90308 Experiences in Industry.</li> <li># 50 points of specialisation electives</li> <li># 37.5 points of multidisciplinary electives which may include any of the following:                         <ol style="list-style-type: none"> <li>1 Additional specialisation electives.</li> <li>2 Any Melbourne School of Design subject(s) provided prerequisites are met.</li> <li>3 Any University of Melbourne graduate subject(s) provided prerequisites are met and written approval is obtained from both the faculty through which the subject is offered and the course coordinator. Such approval must be provided to the Environments and Design Student Centre before teaching commences.</li> </ol> </li> </ul> Students should choose specialisation and multidisciplinary electives in consultation with the course coordinator.																												
<b>Subject Options:</b>	Corporate Management specialisation subjects <b>Core specialisation subjects</b> Students are required to successfully complete all of the following subjects (112.5 points) in order to obtain the Corporate Management specialisation in the Master of Construction Management.
