

Biomedical Biotechnology (specialisation of Biotechnology major)

Year and Campus:	2014																																															
Coordinator:	See Biotechnology major																																															
Contact:	See Biotechnology major																																															
Overview:	Biomedical Biotechnology specialisation within the Biotechnology major																																															
Learning Outcomes:	See Biotechnology major																																															
Structure & Available Subjects:	<p>Completion of 50 points of study at Level 3.</p> <p>There are three streams within this specialisation:</p> <ul style="list-style-type: none"> # Biochemistry stream # Microbiology and Immunology stream # Pharmacology stream
