Contact:	Dr Yongxian Luo yongxian@unimelb.edu.au
Subject Overview:	<p>This subject is designed for students to develop their ability to communicate in Chinese at a beginning-advanced level and their analytical skills of the Chinese language through engaging with a range of topics concerning contemporary Chinese society and culture. Their linguistic competence will be further enhanced through exposure to Chinese materials dealing with a variety of socio-cultural situations, writing and presenting opinion pieces on current issues in Chinese, and participating in group discussions. Study activities will be supported with linguistic and cultural resources, including background information in brief English passages, as well as video, audio and additional reading materials introducing the cultural topics.</p> <p>This subject will allow students to gain confidence and independence in handling written Chinese language materials so as to make the transition from textbook material to original Chinese texts.</p>
Learning Outcomes:	On completion of the subject, students will: <ul style="list-style-type: none"> • have acquired grammar and analytical skills at this proficiency level; • be able to make a short presentation in Chinese on a selected number of subjects; • develop some general correspondence skills; • have a vocabulary of approximately 1300 characters; • build on foundational knowledge of structural patterns to manage complex bodies of new information; • be able to recognize the indispensability of accuracy in communication while dealing with increasing quantities of information; • acquire general knowledge of key social and cultural phenomena as the basis for a heightened global awareness.

Assessment:	This subject is equivalent to 4,000 words. Assessment consists of weekly in-class 10-minute written tests (Weeks 2-10) 10%, a short essay of approximately 300 characters (commencing week 2 and due in week 12) 10%, a 30-minute listening and comprehension test (Week 12) 20%, a 7-minute oral test (during examination period) 20%, a 2-hour final examination (during examination period) 40%. Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	None
