Contact:	To be advised
Subject Overview:	This subject involves a critical assessment of the literature of a research area in development studies, chosen by the student in consultation with their supervisor (supervision to be arranged by the subject coordinator if student is not completing the thesis). The area of review will be determined during regular meetings and discussions between the student and supervisor. Regular meetings will be held to discuss the development of academic arguments in the review. Preparation of the review will include an extensive literature search by the student on the defined topic and critical appraisal of drafts by the supervisor prior to final submission of the review.
Learning Outcomes:	Students who successfully complete this subject should: <ul style="list-style-type: none"> # possess library research skills; # develop analytical skills; # acquire training for writing academic papers; # appreciate theoretical perspectives in development.
Assessment:	A written review essay of 5000 words (100%) due during the examination period. Assessment submitted late without an approved extension will be penalised at 10% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Texts will be determined in consultation with the supervisor.
Breadth Options:	This subject is not available as a breadth subject.
