Core Participation Requirements:	For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Commonwealth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Overview, Objectives, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/												
Coordinator:	Mrs Susan Worthington												
Contact:	Education Student Centre 234 Queensberry Street Phone: +61 3 8344 8285												
Subject Overview:	This subject develops students' research, critical thinking, reading and writing skill across a range of academic and professional usages. Students will develop reading strategies for different purposes and audiences, analyse and produce a variety of written and spoken genres, including a variety of academic and professional discourses. Students will use appropriate academic or professional discourses in written and spoken texts. Particular attention is paid to the grammatical and structural aspects of written and spoken academic discourse, particularly presenting and supporting an argument. Language is developed through topics examining aspects of language, culture and identity. Issues of power and conflict will be a recurring theme. The subject has a supported experiential learning emphasis.												
Learning Outcomes:	On completion of this subject, students should be able to: <ul style="list-style-type: none"> • Read and evaluate different genres with an understanding of their different purposes; • understand and use appropriate reading and writing strategies for different purposes; • analyse and critically evaluate a variety of academic and professional genres and discourses; • Give and justify opinions both orally and in writing;
