Contact:	Education Student Centre 234 Queensberry Street Call: 13 MELB (13 6352)						
Subject Overview:	<p>This subject will introduce teacher candidates to research and practice that informs the development of literacy in the early years of schooling, the scope and sequence of language and literacy learning in the early years and the diverse nature of children's language and literacy experiences in the prior-to school and school years.</p> <p>Emphasis will be on theoretical perspectives of literacy acquisition and approaches that support the interrelationship between oral language, reading and writing. The focus here will be on the development of school students' language with particular attention given to aspects of the English language such as phonology, vocabulary and grammar related to early reading and writing; theories of reading acquisition that inform the teaching of reading; the development of writing; curriculum frameworks and assessment tools; strategies to support whole, small group and individualised instruction in relation to print-based and multi-media texts to support literacy learning.</p>						
Learning Outcomes:	<p>On completion of this subject teacher candidates will be able to:</p> <ul style="list-style-type: none"> # Demonstrate understanding of the impact of school students' diversity on the design of language and literacy curriculum in the first and subsequent years of schooling; # Use their knowledge of contemporary theories of literacy learning and current professional perspectives to teach early reading and writing; # Design literacy curriculum to support school students' language development and emergent literacy practices in educational contexts; # Implement assessment strategies to monitor school students' development and to plan effective literacy programs. 						
Assessment:	There are 2 assessment tasks: • An analysis and critique of teaching practice (2000 words), due mid semester, 50%• A literature review (2000 words), due end of the semester, 50% There is 1 hurdle requirement: • One hurdle task submitted in class mid semester						

Prescribed Texts:	Hill, S. (2012). Developing early literacy: assessment and teaching. South Yarra: Eleanor Curtain Publishing. Collection of readings
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>On completion of the subject, teacher candidates should:</p> <ul style="list-style-type: none"> # Understand the significance of developing their practice on the basis of research and evidence. # Be able to critique, creatively plan, implement and evaluate curriculum. # Have the ability and confidence to participate effectively in collaborative learning contexts, while respecting individual differences. # Be confident and willing to use advanced communication technologies to support thier own learning and research and the learning of their students.
