Subject Overview:	This subject is a special program of study on a particular area of interest within the linguistics and applied linguistics undergraduate program. It is designed to either complement an honours thesis topic, extend knowledge within a subject already studied, or research a topic not normally treated within the course. It is conducted by a program of intensive reading, designed by the student in consultation with a supervisor. The subject should enhance the student's knowledge of the subject area and should encourage initiative in self-directed research, develop the student's powers of independent inquiry, strengthen the student's capacities in theoretical analysis and argumentation, and develop the student's written communication skills.
Learning Outcomes:	<ul style="list-style-type: none"> # be able to demonstrate a detailed knowledge of the theoretical and methodological issues of concern within the particular topic area being studied. # have gained skills in research and critical thininking and analysis through reading in the particular area being studied and preparation of the scholarly report. # have practiced and further developed high level written communication skills through the writing of the scholarly report.
Assessment:	An essay of 5000 words 100% (due at the end of semester).
Prescribed Texts:	Readings as prescribed and recommended by the project supervisor.
Recommended Texts:	none

Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<ul style="list-style-type: none"> # communicate intelligibly and economically their understanding of debates within this area. # understand the social and cultural context of the construction of identities in and through language.
Notes:	Students wishing to enrol in this subject must obtain permission from the linguistics and applied linguistics honours coordinator.
