Entry Requirements:	<p>1. The Selection Committee will evaluate the applicant's ability to pursue the course successfully using the following criteria:</p> <ul style="list-style-type: none"> • An appropriate undergraduate degree and an appropriate fourth-year level education qualification, or equivalent, with at least one year of relevant professional experience in a content area; or • An appropriate four-year education degree, or equivalent, with at least one year of relevant professional experience in a content area. <p>2. The Selection Committee may conduct interviews and may call for referee reports and employers' references to elucidate any of the matters referred to above.</p> <p>English Language Requirements: All applicants must meet the English language requirements of the University to be eligible to be offered a place. Details can be found here: http://www.futurestudents.unimelb.edu.au/int/apply/grad/english-req.html (http://www.futurestudents.unimelb.edu.au/int/apply/grad/english-req.html) . Where a whole cohort is involved, negotiations may be undertaken with the client authority for an off-shore bridging program.</p>																					
Core Participation Requirements:	<p>The Melbourne Graduate School of Education welcomes applications from students with disabilities. It is University and Graduate School policy to take reasonable steps to enable the participation of students with disabilities, and reasonable adjustments will be made to enhance a student's participation in the Graduate School's programs. The core participation requirements for study in the Melbourne Graduate School of Education are:</p> <p>In all courses</p> <ol style="list-style-type: none"> 1. The ability to comprehend complex information related to education and the disciplines in which the student is teaching. 2. The ability to communicate clearly and independently in assessment tasks a knowledge of the content, principles and practices relating to education and other relevant disciplines. 3. Behavioural and social attributes that enable a student to participate in a complex learning environment. Students are required to take responsibility for their own participation and learning. They also contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. Students who feel a disability will prevent them from meeting the above academic requirements are encouraged to contact Disability Liaison.
