The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison Unit website: http://www.services.unimelb.edu.au/disability/
Contact:	Professor Sheila Jeffreys: sheila@unimelb.edu.au
Subject Overview:	This subject will look at issues of gender and sexuality in an international context. It will cover war and militarism and their effect on women, the international division of labour, the effects of religious fundamentalisms, the politics of population and reproductive technologies, international trafficking in women, sexual violence and clitoridectomy. Students who complete this subject should understand the ways in which gender politics might affect the study of international relations, understand how government policy and other forces operating in Australia and other Western countries are affecting the lives and opportunities of women and relationships between men and women in the rest of the world, be familiar with developments in feminist theory on the issues of human rights, cultural relativism, and have an understanding of international gender politics which can enrich their study of other subjects in the social sciences.
Learning Outcomes:	On completion of this subject students should: <ul style="list-style-type: none"> # understand the ways in which gender politics might affect the study of international relations; # understand how government policy and other forces operating in Australia and other western countries are affecting the lives and opportunities of women and relationships between men and women in the rest of the world; # be familiar with developments in feminist theory on the issues of human rights, cultural relativism; # have an understanding of international gender politics which can enrich their study of other subjects in the social sciences.
Assessment:	A research essay of 2000 words (50%) due mid-semester, and a research essay of 2000 words (50%) due in the examination period. Hurdle Requirement: This subject has a minimum Hurdle Requirement of 75% tutorial attendance. Regular participation in tutorials is required. Assessment submitted late without an approved extension will be penalised at 10% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	A subject reader will be available for purchase from the University Bookshop.
