Contact:	This course is discontinued. Education Student Centre 234 Queensberry Street Call: 13 MELB (13 6352)														
Course Overview:	Discontinued The Master of Modern Languages Education is an advanced course for both Australian and international students who desire specialist studies in modern languages education (also called languages other than English (LOTE) education). Please note that this course will not provide you with registration to teach in Australia.														
Learning Outcomes:	Students who have completed the Master of Modern Languages Education course should be able to: # demonstrate a high level of competence in the management and teaching of at least one modern language; # demonstrate a superior knowledge and understanding of the theory and practice of language learning; # have an understanding of the theory and practice of research in modern languages education; # make effective use of the findings of educational writings and research in addressing language education-related professional problems; # have the depth of knowledge and understanding that will enable them to be a resource for colleagues in language education-related professional situations.														
Course Structure & Available Subjects:	Students are required to undertake 100 points of study, consisting of a thesis of 20,000 words with a research methodology component (75 points total) and 25 points of coursework selected from the list below. Students must publicly present a research paper in the last six months of their candidature. Applicants for Stream 100A are required to submit a thesis proposal signed by their prospective supervisor with their application. Students enrolled in Streams 100A are required to attain an average of at least 75 in their coursework component before commencing their thesis. If this score is not attained, progress will be assessed on an individual basis.
