Course Overview:	This course is unavailable for new students and is being phased out. Prospective students should refer to the Doctor of Medical Science (J15TC).
Learning Outcomes:	-
Course Structure & Available Subjects:	Refer to the Doctor of Medical Science.
Entry Requirements:	Candidates must hold an approved medical degree or recognised equivalent of at least two years standing and have been approved for admission by the faculty.
Core Participation Requirements:	For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this course are articulated in the Course Overview, Objectives and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this course are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/
Graduate Attributes:	-
Generic Skills:	-
