Subject Overview:	This is a reading subject for students who have completed Arabic 8 or equivalent. Readings will be selected in consultation with the student in the first week of the semester and should be completed in line with the guidelines provided to the student. At least 80% of the readings should be in Arabic. Focus will be on one area of Arabic studies: literature. Students enrolling in this subject should be able to undertake a small-scale research project in Arabic literature and present the findings in a scholarly manner.
Learning Outcomes:	On successful completion of this subject, students should: have developed the ability to read, understand, analyse & discuss substantial amounts of complex Arabic texts of Arabic literature & literary criticism; have developed a good understanding of a small specific area of Arabic literature; have acquired the skills to identify relevant materials & analyse these systematically; have developed the ability to create & follow an independent work program, working without explicit guidance; have developed the ability to undertake a small-scale research project in Arabic literature; have developed the ability to discuss complex literary & cultural phenomena in a sophisticated & coherent manner; have developed the ability to present the findings in a scholarly manner & to present research in an academic format.
Assessment:	An essay of 1000 words 100% (due in the middle of semester) 25%, an essay of 3000 words (due during the examination period) 75%. Class attendance is required for this subject; if you do not attend a minimum of 80% of classes without an approved exemption you will not be eligible for a pass in this subject. Assessment submitted late without an approved extension will be penalised at 10% per day.

Prescribed Texts:	Readings are selected in consultation with the student.
Recommended Texts:	None.
