<b>Subject Overview:</b>	This subject will provide theoretical knowledge on disorders of fluency in adults and children. The subject will address the onset of stuttering in early childhood and its natural history. Evidence based treatment approaches for children, adolescents and adults will be presented and discussed.
<b>Learning Outcomes:</b>	At the completion of this course students will: <ul style="list-style-type: none"> <li># understand the differences between stuttering and normal non-fluency</li> <li># be able to apply appropriate fluency measurement and therapy techniques to child, adolescent and adult stuttering populations</li> <li># be able to rank severity of stuttering and thus define which cases require intervention</li> <li># be able to plan and implement an intensive stuttering treatment course</li> </ul>
<b>Assessment:</b>	Participation in practical (application of fluency measurement techniques) and completed report at the end of this practical to be submitted after Lecture 8 - 10%. Participation in practical (role play fluency intervention techniques) and completed report at the end of this practical to be submitted after Lecture 10 - 10%. Completion of a written assignment (1000 words) outlining fluency treatment options for a case study to be submitted in Week 7, Semester 1 - 30%. A one hour written examination at the end of the semester – 50% Hurdle Requirement: Students must pass the written exam in order to pass the subject.
<b>Prescribed Texts:</b>	Nil.
<b>Recommended Texts:</b>	Nil.
<b>Breadth Options:</b>	This subject is not available as a breadth subject.
<b>Fees Information:</b>	Subject EFTSL, Level, Discipline & Census Date, <a href="http://enrolment.unimelb.edu.au/fees">http://enrolment.unimelb.edu.au/fees</a>
<b>Generic Skills:</b>	On completion of this subject students should have: <ul style="list-style-type: none"> <li># well developed problem solving skills</li> <li># an ability to evaluate and synthesise information in a flexible manner</li> <li># a capacity to articulate the knowledge gained in both oral and written forms</li> </ul>
