Coordinator:	Dr Lachlan Macdowall
Contact:	Dr Lachlan MacDowall <u>Imacd@unimelb.edu.au</u> (mailto:Imacd@unimelb.edu.au)
Subject Overview:	<p>From illegally spray-painted stencils to secret exhibitions in abandoned warehouses to exclusive multi-million dollar art fairs, this subject explores the rise of street art in the contemporary city.</p> <p>The subject examines the diversity of artists, materials and political impulses that drive street art and graffiti and its shift from an illicit subculture to a mainstream practice. Using examples from Melbourne and other key cities such as New York, Rome and Berlin, the subject investigates how the meaning and impact of street art derive from spatial and social contexts and how street art can provide new ways of understanding a city, as well as broader debates about art, public space and urban development.</p> <p>Students undertaking this subject will develop skills in identifying, mapping and designing street art in Melbourne's laneways.</p>
Learning Outcomes:	<p>Students completing this subject will:</p> <ul style="list-style-type: none"> - Be able to identify a range of street art in a variety of urban contexts; - Demonstrate an understanding of the diversity of materials and creative practices that comprise street art; - Demonstrate an understanding of how the meaning of forms of street art is shaped by spatial and social contexts; - Have developed skills in the mapping and design of street art.
Assessment:	Photographic documentation and 500 word (max) written analysis of examples of street art (week 5) - 20% Short Essay- 1200 words (max) - (Week 10) - 30% Mapping and Design proposals-Small Group Presentations and 1000 words summary of presentation. (Week 12) - 50%
