Contact:	Contact Us (https://enquiry.app.unimelb.edu.au/?cc=MGSE-ALL&fn=MGSE) Call: 13 MELB (13 6352)												
Subject Overview:	The student will prepare under supervision a thesis proposal, providing a clear indication of the nature and purpose of the research to be undertaken in the thesis. The proposal should contain: <ul style="list-style-type: none"> # a clear statement of the purpose of the research and the research question(s) being investigated; # a justification of why the chosen topic is a worthwhile one to research; # a substantial overview and critical discussion of research already done in the area available in the research literature; # a critical discussion of the research methodology proposed, showing its appropriateness for answering the research question(s); and # an outline of the research design and the timeline for implementing it. 												
Learning Outcomes:	Students will extend their capacity to evaluate research literature in educational psychology in order to make informed decisions about the conduct of independent enquiries in psychology and education.												
Assessment:	Research proposal (5000 words) due end of semester, 100%												
Prescribed Texts:	None												

Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
