

EDUC90420 Research Project

Credit Points:	37.5						
Level:	9 (Graduate/Postgraduate)						
Dates & Locations:	2015, Parkville This subject commences in the following study period/s: Semester 1, Parkville - Taught on campus. Semester 2, Parkville - Taught on campus.						
Time Commitment:	Contact Hours: 54, regular meetings as negotiated with supervisor Total Time Commitment: 510 hours						
Prerequisites:	150 points of study in the Master of Teaching (Early Childhood) or Master of Teaching (Secondary) or a Masters degree in Education, with an H2A average, or equivalent.						
Corequisites:	<table border="1"> <thead> <tr> <th>Subject</th> <th>Study Period Commencement:</th> <th>Credit Points:</th> </tr> </thead> <tbody> <tr> <td>EDUC90419 Education Research Methodology</td> <td>February, July</td> <td>12.50</td> </tr> </tbody> </table>	Subject	Study Period Commencement:	Credit Points:	EDUC90419 Education Research Methodology	February, July	12.50
Subject	Study Period Commencement:	Credit Points:					
EDUC90419 Education Research Methodology	February, July	12.50					
Recommended Background Knowledge:	None						
Non Allowed Subjects:	None						
Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Overview, Learning Outcomes and Assessment Requirements of this entry. The University is dedicated to provide support to those with special requirements. Further details on the disability support scheme can be found at the Disability Liaison website: http://www.services.unimelb.edu.au/disability						
Coordinator:	Dr Amelia Church, Dr Suzanne North						
Contact:	Contact Us (https://enquiry.app.unimelb.edu.au/?cc=MGSE-ALL&fn=MGSE) Call: 13 MELB (13 6352)						
Subject Overview:	Students negotiate an individual project relating to education with an individual supervisor. The project includes a critical review of relevant academic and research literature and a research project relating to educational practice.						
Learning Outcomes:	On completion of this subject students will be able to: <ul style="list-style-type: none"> # Demonstrate in depth knowledge in a particular field in education; # Understand the theoretical context of an issue of concern in education # Understand the purpose of selected research methodologies # Use research processes with due regard to ethical procedures # Demonstrate a capacity to engage in reflective, critical discussion of the area of particular interest. 						
Assessment:	A research report (15,000 words) due end of semester (100 per cent) Attendance at all classes (tutorial/seminars/practical classes/lectures/labs/online classes) is obligatory. Failure to attend 80% of classes will normally result in failure in the subject.
