Subject Overview:	Students are introduced to the culture and practice of collaborating in a film and television environment. Each student is required to form a creative partnership or team and to follow at least one screen project through its entire process. Students will take the role of producer of that student production and will be expected to oversee its distribution and marketing strategies. Students are expected to follow the project from pre-production through production to post production. Students may need to work on location off-campus when producing or crewing on student films.
Learning Outcomes:	This subject will enable students to: <ul style="list-style-type: none"> • extend their creative abilities and business skills; • developed a sound understanding of the structure of the Australian Film, Television and allied industries; • demonstrate the capacity to produce a substantial, professional short creative project; • demonstrate an ability to produce a high standard product with demanding constraints; • demonstrate leadership qualities when working within the creative arts.
Assessment:	Producing work on one major productionAll industry standard pre-production, production and postproduction paperwork to be handed in at a professional standard to the supervising producer on due dates (80%).Crewing on other (2nd) productionStudents are required to crew on fellow student's major productions in meaningful roles and in an industry professional manner. Assessment is based on attendance, and industry standard paperwork, specific to that crewing role, submitted on time (20%).
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.

Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
