Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Overview, Objectives, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/
Coordinator:	Mr Benjamin Nickl
Contact:	TBA
Subject Overview:	This subject is a comprehensive study of both the formal structures and the functional varieties of contemporary German in a wide range of text and discourse forms. Students should develop a refined use of idiomatic and conversational forms and the capacity to use them freely. a level of proficiency in complex written structures and the capacity to command their use freely and confidently. Students should also cultivate the ability to interpret messages independently at all levels of language use, including those occurring in a variety of audio-visual media and individual and group spoken forms.
Learning Outcomes:	At the end of this subject, students will: <ul style="list-style-type: none"> # have cultivated the ability to interpret messages independently at all levels of language use including those occurring in a variety of audio visual media and individual and group spoken forms; # have developed a refined use of idiomatic and conversational forms and the capacity to use them freely in intercultural discourse; # have developed a level of proficiency in written structures of sophisticated complexity and the capacity to command their use freely and confidently in intercultural discourse; # have acquired public speaking skills (relative to entry level) through tutorial and seminar discussion and class presentations; # be able to use research skills to find information from various sources, including dictionary, library, the internet and interviewing people; # have achieved the level of language competency required for admittance into regular studies at a German-speaking university (in most cases)

Assessment:	Two hour written language exam during the exam period [50%] 15 minute oral test in weeks 11 and 12 [25%] Three analytical essays in German of 200 words each due in Weeks 3, 6 and 9 [15%] 10 minute oral presentation in German in class during the semester [10%] This subject has the following hurdle requirements: Regular participation in tutorials is required with a minimum of 75% attendance. All pieces of written work must be submitted to pass this subject. Assessment submitted late without an approved extension will be penalised at 10% per day and in-class tasks missed without approval will not be marked.
