Subject Overview:	Students will consolidate and develop their ability to communicate in Italian while improving their understanding of Italian culture. A range of authentic media will be used to explore key themes in modern Italian society. This subject is designed for students with some prior knowledge, or experience, of the language, spoken and written. By the end of the semester, students should have attained a moderate level of complexity in speaking, listening, reading and writing of Italian, allowing them to expand their ability to engage in discussion, as well as to read, understand and produce a range of texts.
Learning Outcomes:	Students who complete this subject will: <ul style="list-style-type: none"> # interpret and analyse a range of different popular media genres such as film and television and short literary texts # use confidently an expanded vocabulary from a range of communicative situations about contemporary themes. Use increasingly complex grammatical and syntactic structures of Italian and produce connected text on topics that are familiar and of personal interest # apply relevant research and analytical skills to the study of Italian contemporary and cultural themes # develop an increased knowledge of Italian cultural traditions and practices, and to appreciate regional diversity in Italy

	<ul style="list-style-type: none"> # develop a differentiated and informed understanding of self and other and of cross-cultural exchange - apprehend and appreciate features of the interaction of language and identity # improve time management and planning skills - improve analytical skills, learning strategies and the ability to process, organize and integrate information # develop an improved understanding of Italian-speaking contexts and target culture, and work effectively in a cooperative way using Italian and English as a media
Assessment:	3 assignments (400 words each, total 1200 words) due in weeks 4, 9 , 11 [30%] 1 hour written test (equivalent to 1000 words) due in week 7 [25%] 1.5 hour written exam (equivalent to 1400 words) due during the examination period [35%] Participation in class throughout semester [10%] This subject has the following hurdle requirements: Regular participation in tutorials is required with a minimum of 75% attendance. All pieces of written work must be submitted to pass this subject. Assessment submitted late without an approved extension will be penalised at 10% per day and in-class tasks missed without approval will not be marked.
