Coordinator:	Prof John Hajek
Contact:	j.hajek@unimelb.edu.au (mailto:j.hajek@unimelb.edu.au)
Subject Overview:	This subject focuses on the spoken and written language and culture of present day Italy. Students will undertake regular activities in order to improve their linguistic and cultural skills. They will also participate in regular conversation practice for the purpose of reinforcing their command of current idiomatic Italian. Students will explore aspects of contemporary Italian culture and language, through a critical analysis of a variety of texts and documents (including films, music, mass media and literature). By the end of the subject, students should have improved their written production skills and should be able to express themselves with fluency on most topics of a general nature.
Learning Outcomes:	Students who complete this subject will: <ul style="list-style-type: none"> # interpret and analyse a variety of text types, as well as cultural practices, in Italian, directly relevant to Italian-speaking social and cultural contexts # strengthen one's capacity in using linguistic structures and resources, relating to specific literary, linguistic and cultural aspects of Italian-speaking communities, in order to communicate effectively in Italian both in writing and speaking # expand research skills appropriate to task to allow for extended analysis and interpretation # develop an increasing understanding of the diversity of Italian language and culture # develop an increasing ability to compare and contrast linguistic and cultural similarities and differences between Italian language and culture and other languages and cultures # expand the application of learning techniques across tasks and contexts to consolidate knowledge, and ability in relation to Italian language and culture

	# work in an effective manner in an Italian-speaking context both individually and cooperatively in and out of the classroom setting
Assessment:	2 Written assignments (800 words each) due in Weeks 7 and 12 [40%] Mid-semester test in class (1 hour), equivalent to 800 words, in Week 6 [20%] In class oral presentation (500 words) in Weeks 10, 11, 12 [10%] Final project (800-1000 words) during the examination period [20%] Participation in class (including 2 pop tests, equivalent to 80 words) and online [10%] This subject has the following hurdle requirements: Regular participation in tutorials is required with a minimum of 75% attendance. All pieces of written work must be submitted to pass this subject. Assessment submitted late without an approved extension will be penalised at 10% per day and in-class tasks missed without approval will not be marked.
Prescribed Texts:	Soluzioni, 2nd ed. (Denise De Rome) Hodder Education 2010.
Recommended Texts:	none
