

LING30013 Morphology

Credit Points:	12.5
Level:	3 (Undergraduate)
Dates & Locations:	This subject is not offered in 2015.
Time Commitment:	Contact Hours: 2 x 1 hour lectures and 1 x 1 hour tutorials per week. No tutorials in the first and last week of semester. Total Time Commitment: Total of 170 hours.
Prerequisites:	LING20005 Phonetics
Corequisites:	none
Recommended Background Knowledge:	LING20006 Syntax (or equivalent); familiarity with phonological rules (from LING10001 Secret Life of Language for example, or equivalent).
Non Allowed Subjects:	none
Core Participation Requirements:	For the purposes of considering request for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Overview, Objectives, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/
Contact:	bjbaker@unimelb.edu.au (mailto:bjbaker@unimelb.edu.au)
Subject Overview:	Morphology is the study of word structure and word formation. We examine the nature of this area by looking at the diversity and uniformity found in the morphological systems of a wide variety of the world's languages. Theories of morphology are critically discussed and compared. We also consider the interface relationships between morphology and other areas of grammar, in particular syntax and phonology.
Learning Outcomes:	Students who complete this subject will: <ul style="list-style-type: none"> # Confidently deploy discipline specific research and analysis in Morphology using primary and secondary sources and empirical data with a strong sense of research ethics and intellectual integrity # Draw on and critically evaluate theoretical approaches to Morphology # Position themselves within theoretical debates in Morphology # Proficiently employ learning and research technologies as well as field-specific technologies # Attain advanced abilities in written and verbal argumentation in Morphology # Consolidate their understanding of social and cultural diversity in the university and wider community
Assessment:	Problem set assignment 1 due throughout the semester [25%] Problem set assignment 2 due throughout the semester [25%] Take-home exam due at the end of the semester [50%] This subject has the following hurdle requirements: Regular participation in tutorials is required with a minimum of 75% attendance. All pieces of written work must be submitted to pass this subject. Assessment submitted late without an approved extension will be penalised at 10% per day and in-class tasks missed without approval will not be marked.
Prescribed Texts:	Lieber, Rochelle. 2010. Introducing Morphology. CUP. Downloadable readings.

Recommended Texts:	none
Breadth Options:	<p>This subject potentially can be taken as a breadth subject component for the following courses:</p> <ul style="list-style-type: none"> # <u>Bachelor of Biomedicine</u> (https://handbook.unimelb.edu.au/view/2015/B-BMED) # <u>Bachelor of Commerce</u> (https://handbook.unimelb.edu.au/view/2015/B-COM) # <u>Bachelor of Environments</u> (https://handbook.unimelb.edu.au/view/2015/B-ENVS) # <u>Bachelor of Music</u> (https://handbook.unimelb.edu.au/view/2015/B-MUS) # <u>Bachelor of Science</u> (https://handbook.unimelb.edu.au/view/2015/B-SCI) # <u>Bachelor of Engineering</u> (https://handbook.unimelb.edu.au/view/2015/B-ENG) <p>You should visit learn more about breadth subjects (http://breadth.unimelb.edu.au/breadth/info/index.html) and read the breadth requirements for your degree, and should discuss your choice with your student adviser, before deciding on your subjects.</p>
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<ul style="list-style-type: none"> # develop skills in critical thinking and analysis. # develop skills in thinking in theoretical terms. # develop skill in communicating knowledge intelligibly and economically. # develop skill in observation and attention to detail.
