Subject Overview:	This is a special subject for students who wish to complete courses at the Australian Linguistics Institute (ALI), organized by the Australian Linguistics Society and offering a diverse range of advanced short courses. Students must attend either two 2-week advanced level courses, or four 1-week courses (depending on how the Institute is organized). They will then select a project topic from the list provided by the ALI course presenter. On return from ALI they will complete the intensive reading and other work requirements. Assessment of the resultant project will then be completed by Linguistics and Applied Linguistics staff.
Learning Outcomes:	<ul style="list-style-type: none"> # be able to demonstrate a detailed knowledge of issues within the particular topic area being studied. # have gained skills in research and critical thinking and analysis through participation in seminars, reading, and preparation of assessed work. # have developed their skill in communicating knowledge intelligibly through written assessment and seminar discussion.
Assessment:	Written work totalling 5000 words 100% (end of semester).
