Subject Overview:	This subject is a five-week, pre-session intensive bridging program designed to prepare postgraduate students for study. The subject is designed to help students from across the curriculum maximise their chances of successfully completing a postgraduate course on time. The subject offers students ample opportunities to experience Australian academic culture, develop social networks and make a transition from work to study. The development of critical thinking skills and academic writing is highlighted.
Learning Outcomes:	<ul style="list-style-type: none"> # gain familiarity with Australian life and culture. # develop critical thinking skills, plan and write collaborative reports. # participate in discussions, read and evaluate academic texts. # develop appropriate research skills. # deliver a formal academic presentation, enhance personal computer and literacy skills.
Assessment:	A group presentation (1000 words), an individual report (1000 words) and a collaborative academic paper (3000 words).
Prescribed Texts:	Materials supplied by the School
Recommended Texts:	none
Breadth Options:	This subject is not available as a breadth subject.
