Subject Overview:	This subject will examine the skills required for individual composers to create and realise cross-disciplinary new artistic work in a group environment. Music Making Laboratory is mentor led and delivered as a practical laboratory, which offers opportunities for observation, practice and experimentation within a range of media contexts. During the course students will be required to engage in whole group discussion and ensemble cross media music making.
Learning Outcomes:	On completing this subject students will: <ul style="list-style-type: none"> • have developed an appreciation and understanding of the nature of observation, practice and experimentation within a group music-making environment; • be cognisant of and sympathetic to a broad range of music's and art forms within a practical music-making context; • appreciate solo and group interactive composition and the extra-musical aspects necessary for success in the presentation in a variety of media contexts; • Have developed an appreciation of the collaborative process within an interdisciplinary ensemble context.
Assessment:	Laboratory logbook: (40%)Completion of a Music Making laboratory logbook that documents observation, practice and experimentation undertaken at each laboratory session throughout the semester. Equivalent 2,000 words Laboratory outcomes presentation: (60%)Presentation of a new group work for at least 4 performers that is a direct result of the observation, practice and experimentation undertaken during the semester. Duration: 6 mins.Time due: Examination

	<p>period Late submission: Unless an extension has been granted, for essays/assignments submitted after the due date, the mark a student is awarded for their work will be reduced by 10% for each day the work is late. Using electronic submission means work may be submitted on any day. Unless an extension has been granted, assignments submitted later than 5 working days (or 1 week if due on a weekend) after the due date will not be marked, and will receive no marks. Hurdle requirements: Students must attend 80% of all scheduled classes and attempt all elements of assessment to be eligible for a pass in this subject.</p>
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<p>On completing this subject students will:</p> <ul style="list-style-type: none"> • have in-depth knowledge of their specialist discipline; • reach a high level of achievement in artistic practice, problem solving and communication; • be critical and creative thinkers, with an aptitude for continued self-directed learning; • have the capacity to participate fully in collaborative learning and to confront unfamiliar problems.
