Subject Overview:	Chamber Music involves the formation of instrumental/vocal groupings of 3 or more players, according to repertoire requirements. Students will develop sophisticated techniques as chamber players and study selected repertoire to performance standard. The subject involves the study and preparation of diverse chamber repertoire requiring individual part-preparation and regular group rehearsals.
Learning Outcomes:	On completion of this subject students should be able to: # show technical development as chamber music players # perform selected repertoire to concert standard # demonstrate a capacity to think critically and independently in matters of corporate style, sonority, balance, ensemble, phrasing, blending and musical gesture # identify the broad and diverse cultural references of the chamber music literature # apply time and people management skills to rehearsal and performance planning # utilise teamwork skills in rehearsal/performance groups numbering from two to ten persons.
Assessment:	Weekly preparation of parts and rehearsals, and active participation in tutorials, throughout semester (50%); 20-minute examination, consisting of concert-standard presentation of

	chamber music repertoire approved by the Subject Coordinator, during the end of semester examination period (50%). Hurdle Requirement: 100% attendance throughout semester is expected. Less than 80% attendance at classes will result in a fail.
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
