Course Overview:	The Professional Certificate award is an introductory postgraduate award that enables a small commitment to study, and a pathway to pursue more significant postgraduate study at a later date. Full credit for completion of the Professional Certificate is given into the next level of award, that is, the Graduate Certificate in Clinical Research.																	
Learning Outcomes:	Graduates of the Professional Certificate in Clinical Research will have: <ul style="list-style-type: none"> # An introduction to some of the methods and rationales of clinical research # A basic understanding of the nomenclature and processes of study designs and analytic methods used in clinical research # An ability to articulate their knowledge in an appropriate form # An appreciation of how to create and acquire knowledge within their discipline 																	
Course Structure & Available Subjects:	The Professional Certificate requires completion of 25 points of coursework, which is equivalent to two of the subjects listed below, one of which must be Study Design in Clinical Research Tools.																	
Subject Options:	Students must complete 2, 12.5 subjects and once of those must be Study Design in Clinical Research Tools. <table border="1" data-bbox="389 1503 1485 1823"> <thead> <tr> <th>Subject</th> <th>Study Period Commencement:</th> <th>Credit Points:</th> </tr> </thead> <tbody> <tr> <td>CLRS90011 Study Design in Clinical Research</td> <td>October</td> <td>12.50</td> </tr> <tr> <td>CLRS90013 Responsibilities and Ethics</td> <td>August</td> <td>12.50</td> </tr> <tr> <td>CLRS90012 Managing Projects and Teams</td> <td>Semester 1</td> <td>12.50</td> </tr> <tr> <td>CLRS90010 Basic Clinical Research Tools</td> <td>Semester 1</td> <td>12.50</td> </tr> </tbody> </table>			Subject	Study Period Commencement:	Credit Points:	CLRS90011 Study Design in Clinical Research	October	12.50	CLRS90013 Responsibilities and Ethics	August	12.50	CLRS90012 Managing Projects and Teams	Semester 1	12.50	CLRS90010 Basic Clinical Research Tools	Semester 1	12.50
Subject	Study Period Commencement:	Credit Points:																
CLRS90011 Study Design in Clinical Research	October	12.50																
CLRS90013 Responsibilities and Ethics	August	12.50																
CLRS90012 Managing Projects and Teams	Semester 1	12.50																
CLRS90010 Basic Clinical Research Tools	Semester 1	12.50																
Entry Requirements:	1. In order to be considered for entry, applicants must have completed: <ul style="list-style-type: none"> • an undergraduate degree or equivalent qualification in medicine, an allied health profession, science or social science, and • at least one year of documented, relevant professional work experience in a medical, scientific or allied health environment. Meeting these requirements does not guarantee selection. 2. In ranking applications, the Selection Committee will consider: <ul style="list-style-type: none"> • prior academic performance; and 																	

	<ul style="list-style-type: none"> • the research experience or evidence of appropriate preparation or potential to undertake research; and • the capacity of a participating department to provide adequate supervision in a research project appropriate to the interests and preparation of the individual applicant. <p>3. The Selection Committee may seek further information to clarify any aspect of an application in accordance with the Student Application and Selection Procedure (https://policy.unimelb.edu.au/MPF1034) .</p> <p>4. Applicants are required to satisfy the university's English language requirements for postgraduate courses. For those applicants seeking to meet these requirements by one of the standard tests approved by the Academic Board, performance band 6.5 (http://about.unimelb.edu.au/academicboard/resolutions) is required.</p>
Core Participation Requirements:	Professional Certificate in Clinical Research welcomes applications from students with disabilities. It is University and degree policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the degree. For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Commonwealth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this course are articulated in the Course Overview, Objectives and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this course are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/
Further Study:	On successful completion of the Professional Certificate in Clinical Research students will be eligible for 25 points credit towards the Graduate Certificate in Clinical Research
