Coordinator:	Dr Dana Goswick
Contact:	Dana Goswick dgoswick@unimelb.edu.au
Subject Overview:	This subject is intended as part of a student's preparation for writing their thesis, by ensuring that they have a proper knowledge of the contemporary literature in that area. The student will undertake a reading programme guided by their supervisor. The readings will be discussed with the supervisor or other appropriate people, either individually or in seminars. Normally students will enrol in the Shorter thesis - PHIL90003 concurrently with this subject. Hurdle Requirement: Students are required to attend a minimum of 75% of classes in order to pass this subject. Regular participation in class is required. Assessment submitted late without an approved extension will be penalised at 2% per working day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Learning Outcomes:	Students who successfully complete this subject will: <ul style="list-style-type: none"> # acquire a familiarity with the contemporary research literature relating to their thesis topic. # demonstrate the ability to critically evaluate this literature. # acquire a critical understanding of important issues relating to their thesis. # refine the critical skills necessary to undertake original research.
Assessment:	Written work totalling 5000 words 100%. The written work may take the form of either a single end of semester paper of 5000 words, or up to three critical notices 1700 words each. The form of ASSESS will be adapted to suit the particular project and will be agreed upon in writing within 2 weeks of the start of the semester.
Prescribed Texts:	To be determined on a case by case basis in the light of the student's research topic.

Breadth Options:	This subject is not available as a breadth subject.
