Subject Overview:	This subject examines the role of the media in the contemporary politics of Australia and similar countries. Topics covered include theories of the media in democratic politics, how news is manufactured, the power of news media to set the public and political agenda, the impact of television and media on politics, and PR methods used by politicians and pressure groups to manage the media, and case-studies of how politics is represented.
Learning Outcomes:	On completion of this subject students should: <ul style="list-style-type: none"> # Critically compare competing theoretical frameworks for understanding the function of news media, particularly in democratic states, and the political, cultural and socio-economic contexts in which they operate; # Be able to assess the influence of different interests in media construction of news; # Be able to critically evaluate media representations of political and social relations; # Be familiar with theoretical and social scientific research approaches to the study of news media; # Be able to communicate effectively in oral and written formats.
Assessment:	Written assessment of 1000 words (25%) due during the first half of the semester, a critical review of 1000 words (25%) due mid-semester, and a research essay of 2000 words (50%) due during the examination period. Hurdle Requirement: This subject has a minimum Hurdle Requirement of 75% tutorial attendance. Regular participation in tutorials is required. Assessment submitted late without an approved extension will be penalised at 10% per working

	day. In-class tasks missed without approval will not be marked. All pieces of written work must be submitted to pass this subject.
Prescribed Texts:	Readings will be provided online through the subject's LMS site prior to the commencement of semester
