Subject Overview:	The student will provide evidence of having met this goal by presenting a portfolio or minor dissertation made up of a preface and a single project report. An outline of the options for the structure of this subject, including supervision and assessment requirements, is available here: www.bca.edu.au/student_info.htm (see Workplace Project Portfolio (WPP) Guidelines) PLEASE NOTE: Adequate supervisory arrangements must be in place before students commence this subject. Students wishing to complete the Masters degree should discuss options for WPP with the course coordinator.									
Learning Outcomes:	The aim of this subject is that the student gains practical experience, usually in a workplace setting, in the application of knowledge and skills learnt during the coursework of the Master of Biostatistics program, under supervision of an experienced biostatistician.									

Assessment:	Portfolio or minor dissertation (approximately 5,000 words) to be marked by two examiners, at least one of whom will be internal to the University of Melbourne.
Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	None
Links to further information:	http://www.sph.unimelb.edu.au / http://www.bca.edu.au
