Notes:	This specialisation is available to new generation Bachelor of Science students (B-SCI) and Bachelor of Biomedicine (BBiomed) students. It is also available to Bachelor of Science students who commenced prior to 2008. The published structure of this specialisation/major includes subjects available in the current year. Pre-2008 Bachelor of Science students who																																																

	<p>completed one or more Level 3 science subjects towards this major prior to 2010 should contact the Science Student Centre for advice on appropriate subjects to complete this major.</p> <p>A quota has been applied to a core subject in this major.</p>
