<b>Course Overview:</b>	Currently this course focuses on developing your knowledge and skills in implant dentistry or oral surgery. Implant dentistry is only available part-time so international students are not eligible to apply because the international student visa requires enrolment in a full-time course. However, this course is ideal for local general dentists who wish to remain in private practice while learning. Oral surgery is available either part-time or full-time.
<b>Learning Outcomes:</b>	<ul style="list-style-type: none"> <li># To provide appropriate clinical experience to enable you to further your knowledge and skills in implant dentistry.</li> <li># To develop your capacity for contemporary professional practice.</li> <li># To provide some specialist knowledge and theory.</li> <li># To give you the opportunity to sample postgraduate study and possibly inspire you towards specialist study in the Doctor of Clinical Dentistry.</li> </ul>
