Contact:	<p>Melbourne Dental School</p> <p>Currently enrolled students:</p> <ul style="list-style-type: none"> # General information: https://ask.unimelb.edu.au (https://ask.unimelb.edu.au/) # Contact Stop 1 (http://students.unimelb.edu.au/stop1) <p>This course is not longer offered and has been replaced by the Graduate Diploma in Clinical Dentistry (Advanced): GDA-CD</p>																													
Course Overview:	<p>Please note: this course has been discontinued and there will be no further intakes after 2015.</p> <p>Currently this course focuses on developing your knowledge and skills in implant dentistry. This is only available part-time so international students are not eligible to apply because the international student visa requires enrolment in a full-time course. However, this course is ideal for local general dentists who wish to remain in private practice while learning.</p>																													
Learning Outcomes:	<ul style="list-style-type: none"> # To provide appropriate clinical experience to enable you to further your knowledge and skills in implant dentistry. # To develop your capacity for contemporary professional practice. # To provide some specialist knowledge and theory. # To give you the opportunity to sample postgraduate study and possibly inspire you towards specialist study in the Doctor of Clinical Dentistry.
