Course Overview:	<p>The Bachelor of Dance (Honours) is a more advanced and specialised course of study requiring a higher standard of achievement following completion of a first dance degree. The 1 year program extends knowledge and experience through a combination of industry experience, self-initiated projects and research that may lead to formal postgraduate studies and/or opportunities to enter the dance profession. A substantial part of the program involves practical studies undertaken as field experience with a range of industry based organisations and project-based artists. These studies provide the opportunity to enhance career prospects under the guidance of experienced mentors and ensure adequate preparation for postgraduate studies in dance, where the maintenance of strong dance techniques is essential.</p> <p>The results applicable to subjects in an honours course are in the range 65% to 100%, ie H3 to H1. A results below 65% is considered a 'non pass'.</p> <p>A minimum of 7.5 hours per week of dance training (ballet, contemporary, allied techniques) is to be maintained throughout the duration of the course.</p>
