Course Overview:	<p>The Master of Education (Educational Management) is a research classified course designed to prepare leaders in educational organisations to work in an international environment in the twenty-first century. The program is designed to fill a need for a specialist qualification for those who aspire to senior positions or seek further advancement in education and training in the public and private sectors. It is intended to be inclusive of those who work in fields variously described as early childhood, school, vocational, adult, further, higher, tertiary, university and workplace training in other fields. The course aims to provide a blend of practical knowledge, conceptual frameworks and state-of-the-art research, and distinguishes itself from other Australian educational management courses by emphasising a global perspective.</p>
Learning Outcomes:	<p>Students who have completed the Master of Education (Educational Management) should be able to demonstrate:</p> <ul style="list-style-type: none"> # an advanced knowledge and understanding of current management issues and challenges in relation to education; # an in-depth knowledge and understanding of various conceptual frameworks and theoretical perspectives presented in the course; # an understanding and application of the latest research findings in the aspects of Educational Management studied; # the capacity to understand and analyze advanced case studies of significant problems and issues experienced at senior levels in educational settings; # a global perspective in tackling management issues in education; # an appreciation of professional responsibilities and ethical principles associated with leading educational organizations.
Course Structure & Available Subjects:	<p>Candidates are required to undertake</p> <ul style="list-style-type: none"> # a core subject of 25 points # a thesis of 20,000 words which includes a methodology component (EDUC90729 and EDUC90620) <p>In the six months prior to submission of their thesis candidates must present their research findings at a public completion seminar attended by their Advisory Committee.</p> <p>Candidates enrolled in Master of Education (Educational Management) 960EB are required to attain an average of at least H2A in their coursework component before commencing their thesis. Students achieving a grade of less than H2A may not be permitted to commence the thesis and would instead be required to convert to a coursework only degree.</p>
