Subject Overview:	The focus of this subject is on ensemble practice. The foundations are laid for the development of the art of acting and the composition of original performance. This subject explores the core principles of performance creation: body, space, action, word, meaning, score, rhythm and repetition through improvisation and task based work. Actors will explore working spontaneously, imaginatively and authentically within a theatrical context.						
Learning Outcomes:	This subject enables students to: <ul style="list-style-type: none"> • work from self; • work constructively as an individual within an ensemble; • use materials of theatre as central sources in the making of a theatrical performance; • accept responsibility for their own learning. 						
Assessment:	Practical Studio Class Work 70% (Focusing on achievements against set criteria in areas such as: developing a methodology, transference of skills into performance and professional attitude and commitment). Practical assessment of assigned tasks in group presentations. 30% End of semester Hurdle requirements: Students must attend 80% of all scheduled classes and attempt all elements of assessment to be eligible for a pass in this subject.						

Prescribed Texts:	None
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	On completing this subject students will have: <ul style="list-style-type: none">• the capacity for kinaesthetic awareness;• the capacity for imaginative and transformative activity;• the capacity to give and receive informed feedback;• the capacity to work with unconditional positive regard for self and others;• the capacity to participate effectively in collaborative learning as a team member whilst respecting individual differences;• the ability to initiate ideas and put them into practice.
