Subject Overview:	<p>This subject presents the arts as a key learning area in primary education. Teacher candidates study teaching strategies and developmental learning in relation to children's education in the arts, with a particular focus on drama, music and visual arts. Teacher candidates will engage in theoretical studies and practical drama, music and visual arts workshops to inform their understanding and knowledge of the teaching of the arts in primary schools. Teacher candidates will develop a thorough understanding of VELS and the application of the sub-strands: creating and making, and exploring and responding to primary arts curriculum. The subject will focus on the skills required to design, implement and evaluate drama, music and visual arts programs for the primary school. Teacher candidates will attend a professional performance on campus created for primary school students.</p>
